innovatewithAjay

Learn. Build. Innovate.

[Presentation title]

Ajay Prajapat / [Audience] / [Date]

A clear next step.

[Write the main objective in one sentence.]

[Describe the current situation, the audience and the outcome this conversation should make possible.]

01

Who this is for. What changes.

Audience

[Who is this designed for?]

[What is their current skill or context?]

[What constraints matter?]

Target outcome

[What should participants or clients achieve?]

[How will success be assessed?]

[What is out of scope?]

innovatewithAjay

Three ways to move forward.

01

Workshops

Hands-on learning around useful AI concepts and workflows.

02

Mentorship

Practical guidance for your goals, projects and decisions.

03

Consulting

Clarity for use cases, product direction and implementation.

From idea to implementation.

01

Discover

[Goal, users, problem]

02

Design

[Approach and scope]

03

Build

[Work and deliverables]

04

Review

[Validation and next step]

Workshop / session agenda.

[Time]	[Introduction and outcomes]
[Time]	[Core concept and demonstration]
[Time]	[Guided hands-on exercise]
[Time]	[Review, questions and next steps]

Show the work.

[Insert actual project screenshot]

[Project name]

Problem

[What needed solving?]

Approach

[What was built and why?]

innovatewithAjay

Evidence, not exaggeration.

Challenge

[Describe the verified starting point.]

Work delivered

[Describe the actual work completed.]

Observed outcome

[Add verified results or qualitative evidence.]

Use approved facts only. Do not add illustrative numbers as real results.

“[Add an approved client or learner quote.]”

[Name] / [Role or program]

Publish only with permission.

Scope and commercial discussion.

Included

[Deliverable 1]

[Deliverable 2]

[Review / support scope]

Proposed engagement

Fee: [Amount and currency]

Timeline: [Dates / duration]

Payment terms: [Terms]

Exclusions: [Out-of-scope work]

What happens next?

1	**Confirm**	[Objective, audience and scope]
2	**Prepare**	[Inputs, access and scheduling]
3	**Begin**	[Kick-off date and owner]

What are you ready to build?
